At an SJAC "No Frills" race - summer 2015

www.southjerseyac.org

Thank you for your interest in the South Jersey Athletic Club (SJAC), a running club for women and men of all ages, abilities, and levels of experience.

As proud members of the Road Runners Club of America and USA Track & Field Mid-Atlantic (USATF-MA), the SJAC has a long history of being highly competitive in the USATF Mid-Atlantic Grand Prix race series (we placed 3rd in 2015), but also provides a welcoming atmosphere for new and non-competitive runners. Area runners enjoy the companionship and camaraderie of three organized runs per week, participating as desired or as individual schedules permit. The Club also organizes the popular No Frills, Just Thrills summer race series at Cooper River Park. In 2016, the race series attracted 810 men, women, and children to various No Frills races, ranging from the one-mile fun run to the three-loop 10.95 mile challenge, with distances of 3.65 miles and 7.3 miles also available.

Along with monthly meetings, in which we bring in speakers relevant to the running community -- such as trainers, yoga instructors, and chiropractors, etc. -- the SJAC also hosts a number of social events throughout the year, including the popular indoor cycling class, movie nights, and the legendary Holiday Pirate Pollyanna.

Whether you are looking for training partners or friendship on a run, membership in SJAC can meet your needs, and your membership will help to keep the SJAC an important and vibrant community that supports local athletes.

Brandon Hamilton, SJAC President
